THE ORGANISATION

Rocky Bay has been providing support for people with disabilities since 1938. Our client group has a wide range of disabilities including muscular dystrophy, cerebral palsy, spina bifida, autism and acquired brain injuries.

Rocky Bay currently supports in excess of 1,000 children and 500 adults.

The services we provide to our clients to optimise their quality of life include:

THERAPY
Minimising the impact of disability and maximising health, functional ability, and the development of valued social roles for clients.

ACCOMMODATION
Supporting people with disabilities to live as independently as possible in an environment of their choice.

COMMUNITY PARTICIPATION
Facilitating and supporting access and participation in community activities.

AIDS AND EQUIPMENT
Ensuring that our clients have the aids and equipment necessary to maintain their quality of life.

RESPITE
Providing families with access to regular breaks from their duties as carers as well as emergency support.

EMPLOYMENT
Assisting individuals to obtain and maintain open or self employment.
