

# Feedback and Complaints

## Purpose

To encourage comments so we understand your experiences with our services and ensure all feedback and complaints are actioned in a timely and effective manner

## Policy

We encourage and welcome your comments, compliments or suggestions.

When you want to provide feedback, including complaints and problems, Rocky Bay makes sure your views are respected, that you are kept informed, and that you can be involved in the resolution process where possible.

We want you to tell us if you are unhappy. Your complaints will help us to improve and deliver better outcomes for everyone. Likewise, we love to hear when you have enjoyed your experience with us.

We have a complaint handling system that meets the NDIS Practice Standards and Disability Services Regulations 2004 (WA) and we deal with complaints fairly, objectively and as quickly as possible. We have fully trained staff who use a person-centred approach to resolve issues. We are committed to fair and timely resolution of complaints, following all relevant legislation and standards.

We will get back to you within three days of receiving your feedback.
